EXPERIENCE

Some of Ms. Kosharskyy's relevant work includes:

- Lead counsel for consumer classes in connection with antitrust proceedings against Microsoft in the United States and consulting and advisory counsel to Canadian lead counsel in Canada. These litigations have resulted in settlements totaling over \$1 billion for consumers in Canada, Florida, New York, Tennessee, West Virginia and Minnesota, where the litigation proceeded to trial.
- Special fiduciary representation for the exchange-based class in *In re Foreign Exchange Benchmark Rates Antitrust Litigation* for a putative class of participants who traded futures and options in the FX market. The case has already resulted in partial settlements of more than \$2.3 billion.
- Representation of the exchange-based class in *In re LIBOR-Based Financial Instruments Antitrust Litigation*, an antitrust case alleging that defendant banks colluded to misreport and manipulate LIBOR. The case resulted in settlements totaling \$190.45 million, which combined represent the largest recovery in a “futures-only” commodities class action litigation.
- Representation of indirect purchasers in *In re Cathode Ray Tube (CRT) Antitrust Litigation*, a price fixing antitrust case wherein it is alleged that defendant entities conspired to control prices of television and monitor components resulting in a settlement of \$576 million.
